

# BOSS III™

*New and Improved!*

## A Non-Intrusive Method of Detecting Objects Concealed in Body Cavities

**BOSS III makes prisons safer for inmates and staff.**

Since 1996, Ranger Security's B.O.S.S. (Body Orifice Security Scanner) chairs have been used in some of the toughest jails and prisons in America to detect unwanted metallic contraband objects hidden within the body cavities of detainees and inmates.

After close collaboration with correctional facilities across the United States, Ranger has implemented new features into the BOSS III to further meet and exceed the rigorous demands correctional facilities require.

- Proven Effective in America's Toughest Prisons
- Multi-Zone Security Metal Detector
- Eliminate Stabbings and Slashings
- Fast, Harmless, Safe and Sanitary
- Avoid Lawsuits Liabilities

### Three Detection Zones

- 1 - Abdominal Cavity
- 2 - Anal / Vaginal Cavity
- 3 - Shin Area Sensor

United States Patent  
No. 5,973,595

# BOSS III™

## Body . Orifice . Security . Scanner

### Applications of the B.O.S.S. III

- Prisons, Jails, and Detention Centers
- Customs and Border Patrol Facilities
- Precious Metal Mines and Refineries
- Coin Counting Facilities
- Protect against violent crime and lawsuit liabilities
- Non-intrusive
- Sanitary Body Cavity Searches
- **Loss Prevention Applications**
- Jewelry and Watch Manufacturing
- Computer Component Manufacturing

### General Features of the B.O.S.S. III

- Visual and Audio Alarms
- Easy to Operate and Maintain
- Wheel Kit for easy mobility
- Selectable Sensitivity from 0% to 99%
- Harmless to Pregnant Women
- (Optional) Back Up Battery Kit

#### Three Detection Zones

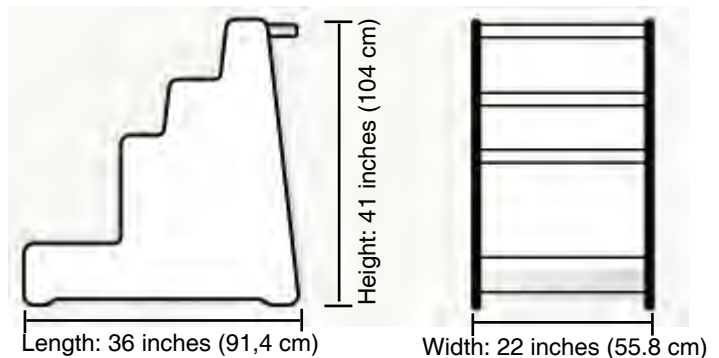

1. Abdominal Cavity Sensor
2. Rectal / Vaginal Cavity Sensor
3. Shin Area Sensor

### Security Features of the B.O.S.S. III

- Instantaneous detection of all conductive metals.
- More constant detection than security walk-thru or handheld metal detectors.
- Safe non-intrusive, non-contact search method.

### Dimensions, Weight, and Power Requirements

Height: 41 inches (104 cm)  
 Length: 36 inches (91,4 cm)  
 Width: 22 inches (55.8 cm)  
 Weight: 138 lbs (63 kg)  
 Power Requirements:  
 110 / 220 VAC

### Warranty Information

E.B. elettronica Security Division warrants the B.O.S.S. III against defects in workmanship or materials for a 24 months period from the date of purchase.
